### Data Protection

The club takes its role in protecting the personal information of members very seriously. Use of members data shall be in accordance with the data Protection Act 1984 and members' interests safeguarded at all times. Members may only hold club member personal details should it be a requirement of their role within the club. All club members' personal details will be held securely, in confidence and for official club purposes only and in accordance with the requirements of the Data Protection Act 1984. It is the personal responsibility of the individual holding the data to ensure these rules are followed, and when taking control of the data the individual will be agreeing to comply with this policy. Any individual deemed by the committee, or the rules of the Data Protection Act 1984, to be misusing this data shall be dealt with according to the club's disciplinary process.
